

PROFESSIONAL VALETING
TRADE PRODUCT CATALOGUE 2010

AutoWash Product Catalogue - June 2010

Code	ENHANCERS	
101	Brush Wash Reclaim	Specially developed for use through a recyclable chemical
102	Chassis Cleaner Super Concentrated	A high active heavy duty cleaner specially formulated for the cleaning and removal of traffic film, heavy greasing and stubborn ingrained soiling.
103	Copolymer & Wax Remover Heavy Duty	A water based alkaline detergent developed for the fast removal of protective wax coating from new vehicles. Designed for either manual use or through a pressure washer. Also available in Super Concentrated.
104	De-Wax Solvent Based	A solvent based de-waxing solution designed for the removal of hydrocarbon (soft) wax by sponge or pre-spray.
105	Wax Rinse	A highly concentrated polymer wax additive which gives an invisible polymer coating, causing water to 'bead' and roll off the vehicle surface. Dramatically reduces drying time of the vehicle. Dilution rate 1:20 for hand car wash or up to 1:500 for drive through automated systems.
106	Wax Rinse Supreme	As above, but with a higher dilution rate, as follows: 1:40 hand car wash use, and up to 1:1000 for drive through automated systems.
Code	Pressure Wash & TFR	
108	Pressure Wash With Germicidal Agents	Ready-To-Use Pressure Wash fluid with added germicidal agents
107	Hyper Concentrate TFR	Exclusive Hyper Concentrate TFR Pre-Mix Formula. 1:25 Pre-Mix Diluton.

Code	ENHANCERS	
201	Aqua Sheet	A superior medium level foaming vehicle shampoo with
202	Car Shampoo 15%	This unique formula gives an outstanding performance for regular cleaning of auto-motive vehicles. The rich and stable foam attaches to the cleaning surface removing grime residues easily, without removing any protective coatings.
203	Snow Foam	A highly concentrated pre-wash product which will generate a thick blanket of foam when used through a foaming device.
204	Snow Foam Concentrate	As above, but in concentrated form.
205	Snow Storm	A highly concentrated 2 in 1 car shampoo and traffic film remover. A paint and trim safe formula, this super foaming detergent is non caustic, and has been specially developed for the hand car wash industry.
206	Vehicle Shampoo 25%	A high performance, biodegradable vehicle shampoo. This high-foaming product can be diluted up to 100:1 depending on level of vehicle soiling and water hardness. Being pH balanced and containing no harsh caustics or salts, this shampoo will not harm previously applied wax or sealant. Safe to use on all paintworks.
207	Wash & Wax	Wash & Wax is quick and easy to use and will rapidly lift ingrained dirt, grime and traffic film and leave a brilliant protective shine.
208	Wash & Glow (Concentrated Wash & Wax)	As above, but concentrated for extra economy and added performance

Code	BODYWORKS	
301	Aluminium Cleaner (Toxic / Corrosive)	A blend of inorganic acids and selected surfactants specially formulated for cleaning and brightening aluminium surfaces, removing the oxides formed in one easy application. This product is classified as Toxic and Corrosive and is therefore supplied 'For Professional Use Only'.
302	Brake Cleaner	Controls harmful brake and clutch dust and provides a high performance degreaser. Evaporates quickly and efficiently.
303	Bumper Gel	An easily spreadable rejuvenating gel which provides a tough, translucent, flexible barrier against moisture, dust, traffic film, atmospheric pollution, staining and fading.
304	Car Polish (High Gloss) PDI	This superior deep gloss car polish is a complex blend of waxes and glossing agents specially formulated for the preparation of pre-delivery new cars.
305	Car Polish (Medium Cut)	A top quality wax polish for the professional restoration of used vehicle paintwork. It contains mild abrasives, lubricants and silicones which remove minor paint imperfections producing a deep gloss and providing a long lasting protection.
306	Car Polish (Ultragleam)	A superior polish containing a rich blend of waxes (including carnauba) giving a long lasting detergent resistance with a high gloss finish.
307	T Cut	A unique formula that brings back the original colour and luster to car paintwork in minutes. Removes oxidation, ingrained road grime, tar spots and scratches.
308	Tar, Glue & Bitumen Remover	A highly effective solvent blend to remove stubborn stains and spillages. It will also remove ingrained oil and grease deposits from storage tanks, lorries and cars.
309	Tar & Bitumen Remover Enviroclean	A fast acting industrial strength cleaner that dissolves and removes the toughest tar, asphalt and oils from plant, equipment and tools. Biodegradable, non-toxic, non-corrosive, non-VOC, and petroleum distillate free.

Code	SCREENS	
401	Glass Cleaner	A powerful cleaning agent containing a high level of detergents and solvents for rapid drying to leave a smear and static free finish. Ideal for use on glass, mirrors, televisions and VDU Screens, chrome and stainless steel and in a variety of automotive applications.
402	Fast Evaporating Glass Cleaner	As above with extra alcohol for faster evaporation.
403	Glass / Chrome Polish	A silicone free chrome/glass polish designed for the professional cleaning and polishing of vehicle windscreens and windows etc..
404	Screenwash RTU	A ready to use screenwash designed to remove grime and insects from all automotive windscreens.
405	Screenwash	A versatile screen wash that will clean off grime and insects. Ideal for use in summer and winter and helps prevent freezing.
406	Screenwash Deicer	A highly concentrated blend of alcohols and glycols for use as a screenwash additive, and serves also as a very effective deicer fluid when used neat.

Code	WHEELS & TRIMS	
501	Alloy Wheel Cleaner	A scientifically balanced blend of acids, non-ionic surfactants and detergents designed to safely remove brake dust, salt and ingrained traffic film from most alloy and painted wheels, leaving a bright shining finish.
502	Alloy Wheel Cleaner & De-Ruster (Heavy Duty)	A powerful cleaner designed to remove most stains from alloy surfaces. It will restore luster and original shine to alloy wheels, by removing dust, dirt, grime and rust formation in one easy application.
503	Alloy Brite (Non Acidic Alloy Wheel Cleaner)	An alkaline based wheel cleaner which quickly breaks down dirt and accumulated brake dust on alloy, chrome and painted wheels. Provides excellent detergent and emulsification for soils contained in wheel grime.
504	Cherry Sheen Exterior Tyre/ Trim Dressing	An alcohol based dressing for tyres, plastics and all exterior trims. Superior long-lasting water resistant shine, with a pleasant cherry fragrance and gloss finish.
505	Long Life Rubber & Plastic Dressing	A superior versatile tyre dressing, formulated to restore a smooth original appearance to tyres and exterior trim. It will leave a water-repellent long-lasting shine.
506	Supershine Plastic Dressing (Gloss Finish)	A unique blend of solvents, waxes, oils and silicones for interior and exterior restoration of dashboards, bumpers, engines, rubber, vinyl and plastics. Cherry Fragrance with gloss finish.
507	Tyre Dressing Supreme (Water Based)	A superior quick-drying versatile tyre dressing. Formulated to restore a smooth original appearance to tyres and exterior trim. With added glossing agents.

Code	INTERIORS	
601	Carpet Dye	Ideal for restoring original colour to faded and worn surfaces, offering a long-lasting finish to treated areas. Also recommended for covering a wide variety of stains.
602	Low Foam Carpet & Upholstery Shampoo	A heavy duty cleaner for the cleaning and removal of soiling from carpets and upholstery. With a light perfume.
603	Digester	Biological Odour Eliminator. Ideal for use on carpets, furnishings and floors. Digester provides immediate relief from mal odours on contact, masking them with a pleasant fragrance.
604	Fresh	A concentrated long-lasting fragrance designed to combat unpleasant odours for vehicle interiors. May be diluted for economy.
605	A10-1 General Purpose Cleaner	An excellent multi-purpose cleaner suitable for a wide variety of applications. This high-powered product may be used on vehicle interiors at a dilution rate of 1:10, but can also be diluted according to soiling levels for many surfaces including floors and walls.
606	Leather Cleaner/ Conditioner	A superior leather cleaner which will gently clean leaving a natural finish. With built in conditioners this product will prolong the condition of the leather. Leaves a subtle 'as new leather' fragrance.
607	Quickshine (Dashboard Renovator - Silk Finish)	Quickshine is a wipe on liquid dressing specially formulated for interior use. It will enhance the appearance of dashboards, fascia, vinyl, plastic, wood trims and other polished surfaces, leaving a long-lasting silky finish with bouquet fragrance.
608	Supershine Plastic Dressing (Dashboard Renovator - Gloss Finish)	A unique blend of solvents, waxes, oils and silicones for interior and exterior restoration of dashboards, bumpers, rubber, vinyl and plastics. Cherry Fragrance with gloss finish.
609	Spotting Solvent	A low odour, non-toxic solvent for removing a variety of stains from carpets and upholstery.

Code	ENGINES	
701	Antifreeze	A high quality glycol based product, manufactured to BS 6580, designed to provide effective corrosion inhibition, for petrol and diesel engines, but also suitable for aluminium and turbo engines. Prevents year round corrosion and will not form scale deposits in hard water areas.
701	Battery Acid 35%	A quick and easy to use battery top up containing Sulphuric Acid.
710	Decarboniser	Ideal for the stubborn removal of deposits from cylinder heads, valves, injectors, manifolds and fuel oil burners. With a dichloromethane and cresols base. Is a twin-layer system, the top layer having built-in inhibitors thus creating an evaporation barrier.
704	Heavy Duty Degreaser (Water Soluble)	A strong emulsifiable solvent degreaser for the removal of oil, grease, tar, bitumen and waxes from metals and floors. Ideal for engine and vehicle components, machinery, most floor surfaces, paint brushes etc. Water rinseable.
705	Demineralised Water	For use in Steam Irons and Batteries to prevent furring and scale formulation.
706	Engine Lacquer	An highly effective engine seal and weatherproof coating. It will dry to a clean high lustre coating which will shed dirt, waterproof the ignition system and inhibit rust.
707	Parts Wash Solvent	A solvent blend designed with safety in mind. It is non flammable and has a low odour. Flash point above 70°C.
708	WD & Pen Oil	A unique blend of oils, solvents and specialised additives designed for fast and effective Penetration, lubrication and moisture displacement.

Code	WORKSHOPS	
801	Acid Descale Concentrate	A concentrated acid based descaler for fast and effective descaling of Boilers, Steam Cleaning Plant and Power Washers, etc.
802	Brake Cleaner	Brake Cleaner is a fast evaporating, non chlorinated, solvent degreaser, ideal for removing ingrained stains and deposits of grease or dirt from brake linings, etc. The superior properties of this product mean it will not cause corrosion of metals (including aluminium), and will leave no residue due to the fast evaporation rates of the product.
803	Replacesol	Replacesol is a heavy duty solvent degreaser ideal for removing stains, coatings or deposits of oil, grease and dirt from electrical and mechanical apparatus. It leaves no residue, has a low toxicity rating, and will not cause corrosion of metals (including aluminium).

Code	Hand Protection	
HP1	Barrier Cream	A highly effective oil resistant barrier cream, providing protection against water based and non-water based soiling. Should be applied to the hands and arms regularly to impart an oil resistant coating on the skin. Suitable for heavy engineering and motor trades.
HP1	Gloves - Nitrile	Accelerator and powder free examination gloves. Gloves have a textured finish and will fit either hand. Non-sterile. Easy to don. High Quality Sizes Available: S, M, L, and EX-L.
HP3	Hand Gel Red Beaded	With a superior hydrocarbon solvent base this powerful hand gel will quickly and effectively dissolve grease, oil and stubborn soiling. Contains non-abrasive micro-polymer granules for maximum cleaning power. Advanced gel formula is easy to apply and rinse away, with no residue.
HP4	Hand Gel Beaded Non-Solvent	As above, but with the benefit of being solvent-free. Available in 5 litre tubs or bottle
HP5	Hand Wash Germicidal	A superior liquid hand wash, which has been specially formulated to cleanse and moisturise, leaving skin soft and silky. It's gentle formulation is pH balanced to prevent drying of the skin and is kind enough to use on other parts of the body. Contains special moisturizers, is pH balanced, and is 100% soap free.
HP6	Hand Wash Pearlised	A superior liquid hand wash, which has been specially formulated to cleanse and moisturise, leaving skin soft and silky. It's gentle formulation is pH balanced to prevent drying of the skin and is kind enough to use on other parts of the body. Contains special moisturizers, is pH balanced, and is 100% soap free.

Code	Spillages	
901	Janitor (Degreaser)	A heavy duty low odour degreaser/ detergent. Specially formulated for the removal of fats, grease, oils and stubborn deposits from walls, floors, machinery, paintwork and other hard surfaces. Ideal for use in the food handling industry.
902	Oil Dry Granules 16Kg Bag	A high absorbency clay granules which absorb a wide variety of liquid spillages including oil, solvent lubricants, grease, water, acids etc. Non toxic, fibre-free, and non-flammable, these granules leave a safe non slip surface. Ideal for areas such as workshops and garages.
903	Saffire (Absorbent Wood Fibre)	An environmentally friendly method of absorbing spillages such as oil, grease and other liquids. Ideal for use in factories, laboratories, and workshops, Saffire is easy to clean up, leaving no residue. 3-5 times more absorbent than clay granules. Can be incinerated avoiding costly land-fill charges.
904	Spillaway	A biodegradable oil and diesel emulsifier ideal for cleaning oils or fuel contamination from concrete, asphalt and other surfaces.

Code	AEROSOLS	Min 12/case
A1	Carpet Dye Grey	Medium grey carpet dye ideal to renovate tired car mats.
A2	Dashboard Renovator Perfumed	Cleans, polishes, protects, waterproofs and restores the appearance of vinyl, leather and wood. Available in Cherry and Tangerine
A3	Dashboard Renovator Non Silicone	As above. Silicone free for paint shops.
A4	Foaming Upholstery Cleaner	Foaming cleaner for use on upholstery, fabrics, carpets, etc.
A5	Gloss Black	Enhances appearance with a high gloss finish.
A6	Silver Wheel Paint	Easy to use, enhances appearance with a high gloss finish.
A7	Satin Black	Easy to use, enhances appearance with a high satin finish
A8	WD & Pen Oil	For starting damp engines, lubricating moving parts. Penetrates and frees seized parts and protects against rust and corrosion. Silicone free.
A9	White Grease	A multi-purpose lubricant ideal for brake linkages, latches, cams, window regulators, hinges, springs, wires and cables. Can be used in anti-friction, plain bearings and pumping equipment where the ingress of water has previously reduced lubrication effectiveness.

ACCESSORIES	Description	Price
Black Bucket	Each	£1.91
Cut Cloth	10 kg	£10.19
Cut Coloured Stockinette	6 kg	£16.55
Lint Free Cloth	5 kg	£19.88
Flunky Style Cleaning Cloth	Each	£3.56
Hot Air Gun	Each	£14.07
Hydra Flexi Blade	Each	£5.34
Jumbo Sponge	Each	£0.62
Paint Brush 2"	Each	£0.30
Paint Brush 3"	Each	£0.45
Polishing Cloth Micro Fibre (6` s)	Pack of 6	£6.20
Scraper Metal & 5 Blades	Each	£2.15
Scraper Blades	Pack of 100	£6.65
Wire Brush (4 row)	Each	£1.08
Wire Wool	Each	£2.91
Interiors		£0.00
Air Freshener Bomb (Odour Fogger)	Each	£9.08
Air Freshener Trees	Each	£0.65
Car Mats White	Pack of 250	£9.35
Car Seat Covers	Pack of 100	£11.94
Crevis Tool	Each	£2.34
Prufit Brush (Dog Hair Brush)	Each	£6.62
Upholstery Brush	Each	£2.09
Upholstery Sponge	Each	£0.74
Bodywork		£0.00
Buffing Machines	Each	£53.69
Buffing Pads Blue	Each	£4.52
Buffing Pads White	Each	£3.75
Clay Bar	Each	£20.90
Polishing Compound	1 litre	£11.69
Polish Sponge Cellulose	Each	£1.40
Exteriors		
Bug Shifter	Each	£0.74

ACCESSORIES Cont'd		Desc	Price
Vehicle Brush Long Handled (Flow thru) Triple Extending (Yellow)		Each	£17.55
WheelBrush(Heavy Duty)		Each	£6.11
Wash Mitt - Standard (White)		Each	£2.63
Wash Mitt - Large (Yellow)		Each	£2.72
Dispensers			£0.00
Pelican Pump 5 litre		Each	£3.30
HD Pelican Pump 5 litre		Each	£4.28
Polish Bottle & Flip Top 500ml		Each	£0.69
Pump Up Sprayers - Tango 1.5 litre		Each	£14.00
Pump Up Sprayer - Tango 5 litre		Each	£25.98
Pump Up Sprayer 9 litre (IK9)		Each	£59.85
